 sunbrella®

High style for the high seas. Whatever your nautical persuasion, Sunbrella fabrics are as much a part of the experience as sun, sand and seagulls. Above deck and below, there are fabrics that perfectly match your style and may inspire you to spend even more time letting your worries float away with the tide.

Map your coordinates. Boaters know it's as much about tying down at the dock as it is about heading out to the bay. Out here, anything goes so let your creativity stay as fluid as the water around you. Bring bright colors on board to catch the sun and spritz the staterooms with cozy comfortable Sunbrella fabrics of every imaginable stripe and pattern.

Other Sunbrella Products

Sunbrella Plus (10oz)
Black 8408-0000

A traditional Sunbrella shade and marine fabric with a durable polyurethane undercoating for superior water resistance. Sunbrella Plus uses standard Sunbrella colors for easy color coordination and is ideal wherever water resistance is critical.

Sunbrella Clarity (10oz)
Black 83008-0000

For shade applications that need to look their best but won't get regular cleaning, Clarity features a durable water-resistant polyurethane undercoating and a special finish that uses sunlight and rain to remove organic contaminants and stains such as streaks caused by roof run-off.

Sunbrella Supreme (12.5oz)
Black with Linen Flock 9408-0001

A luxurious, waterproof exterior marine fabric featuring Sunbrella canvas on the exterior face, and a special Sunbrella flocking on the reverse side. The unique bonding process creates a waterproof Sunbrella canvas with a beautifully soft headliner underneath.

Care and cleaning. One of the best ways to keep Sunbrella fabrics looking good and to delay the need for deep cleaning is to rinse regularly with clear water to help prevent dirt from becoming deeply embedded in the fabric.

Sunbrella fabrics can be cleaned while still on a shade structure or boat top.

- Simply brush away loose dirt
- Rinse and clean with a mild, lukewarm soapy solution
- Rinse thoroughly and allow to air dry

Performance Improvements Introduced November 1, 2008 allowed Glen Raven to increase the warranty period for Sunbrella fabrics. For installations on or after November 1, 2008, the warranty coverage period is 10 years from the original purchase date. Glen Raven will provide replacement fabric at no cost during years one through eight; at the then-current selling price less a 15% discount during the ninth year; and less a 30% discount during the tenth year.

This warranty applies to the original purchaser of Sunbrella fabric and protects against Sunbrella fabric becoming unserviceable due to color or strength loss from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals.

This warranty covers Sunbrella fabric only. This warranty does not cover normal care and cleaning; damage from misuse or abuse; improper installation; or costs associated with replacement of the fabric, including labor and installation. Glen Raven's liability is expressly limited to this warranty. Glen Raven reserves the right to inspect the fabric submitted for claim. Glen Raven will supply new equivalent fabric to replace the fabric that becomes unserviceable.
